

## Education, Skills & Interests.

### EDUCATION

**B.Sc. | 2007 | Cairo Univ. , Faculty Of Engineering**

**Major:** Aerospace Engineering

**Project:** Implementing Fluidic Thrust Vector Control System On Small Jets

**Hi School | Omar Ibn El-Khattab Language School**

### Academic Research

**Participant In |** 13th International Conference On Aerospace Science & Aviation Technology " May 2009 "

#### Paper :

"Counter Flow Thrust Vectoring Applied To Small Business Jets"

### SKILLS

#### Computer:

##### Software:

- MS Windows OS (x86 / x64).
- MS Office (Word, Excel, Access, PowerPoint)
- MS Project 2003
- V.BASIC 6.0 / 2003 / 2005
- SQL Server 2000 / 2005
- ASP.net Rapid Programming (Access &MS SQL DB)
- MS Web Expression 4
- MATLAB (programming)
- VISUAL NASTRAN 2002
- CFD (Fluent V 6.2 / 6.3 )
- Meshing 2D & 3D (Gambit V2.2)

##### Hardware:

- PC (desktop): Assembling / Maintenance.
- Network (lan): Assembling / Maintenance.

#### Language:

**Arabic :** Mother Tongue

**English :** Professional working proficiency (Listening, Reading, Writing & Speaking).

#### Personal:

**Professional, Reliable, Responsible, Team Leader, Very Good Improviser, INTJ, Competitive, Welling & Quick Learner, Optimistic and Diplomatic.**

### INTERESTS

Reading, , Running , General Knowledge

M

# TAHER M. RAGAB

*A/C Maintenance Engineer*

26 Nakhla El-Moteie St,

Heliopolis, Cairo, Egypt.

**Mobile:** (010) 2020553

**Tel:** (202) 27796351

**E-mail:** taher579@hotmail.com

**Website :** [www.EngTM.com](http://www.EngTM.com)

**Date of Birth :** MAY 13,1979

**Place of Birth :** Cairo

**Nationality :** Egyptian

**Marital Status :** Single

### SUMMARY:

#### CERTIFIED

- A/C Airframe & Power Plant Maintenance Engineer (**A320/A321 V2500**)
- EASA B1 Engineer for **Airbus A330 (RR RB 211 TRENT 700)**
- Internal QA Auditor **over 5 years experience**
- **Lean Six Sigma Yellow Built**
- **Safety specialist over 6 years experience**
- **A/C Ramp Inspector (SAFA) over 7 years experience**
- Excellent knowledge of IOSA-IATA operational safety audit program. Prepare and Pass IOSA Renewal Egyptair Airlines 2014 & 2016 (MNT) Including Assisting in preparing and amending the Maintenance Control Manual (MCM).

**+7 Years Experience in the Aviation Industry**

### EXPERIENCE:

#### Egyptair M & E

Aug 2012 – Present

- A/C Airframe & Power Plant Maintenance Engineer
- Internal QA Auditor
- A/C Ramp Inspector (SAFA)

#### Egyptair Airlines

Jun 2010 – Aug 2012

- Aerospace Engineer (Representative at Line & Base Maintenance)
- A/C Ramp Inspector (SAFA)

#### Relevant Certificates & Courses:

- **Certificates :** All Certificates were Certified through [ECAA](http://ECAA)
  - Aircraft Maintenance Engineer For Airframe/Power Plant (# 3614 ECAA) with Type Ratings (A320/A321 V2500)
  - (# 3614 ECAA) with Type Ratings A330 (RR TRENT 700)
  - AIRCRAFT MAINTENANCE ENGINEER LICENCE (LWTR)
  - Internal Quality Auditor
  - Lean Six Sigma Yellow Built
- **Courses :** All courses were held at [Egyptair Training Center](http://Egyptair Training Center)

#### Maintenance

- EASA Basic Complementary Course for AF&PP Engineers
- A320/A321 Initial Maintenance Course for Airframe/Power Plant Engineers
- EASA B1 for A330 (RR TRENT 700)
- Part 145 / CDCCL / RVSM / Cat II & Cat III Courses
- Basic Human Factor for Maintenance Engineers
- Basic Introduction Course for Aeronautical Engineers

#### Management

- Strategic Management Course

#### Quality

- Lean Six Sigma Yellow Built Course
- Internal Quality Auditor Course

#### Safety

- Introduction to SAFA Course
- Hazard Identification Course
- Risk Management Course

#### Soft Skills

- Time Management Course

Some of My Previous Work Background

**TATWIR INFORMATION TECHNOLOGY**

**Jun 2009 - April 2010**

- **Projects Manager**

**Accomplishments**

- **MetLife Alico**
  - HR & Payroll Management System
  - Business Management Solution (Sales force tracking )
- **Thebes International School**
  - HR & Payroll Management System
  - School Management system  
(Including Scholl/ Student/ Teacher/ Parent Portal)
- **ElAFIFI A Leading Contractors company**
  - Correspondence & Supplier/Provider Management System
- **Nefertari Language Schools**
  - School Management system  
(Including Scholl/ Student/ Teacher/ Parent Portal)
- **Misir Language School**
  - School Management system  
(Including Scholl/ Student/ Teacher/ Parent Portal)
- **El-Fouad Schools**
  - School Management system  
(Including Scholl/ Student/ Teacher/ Parent Portal)
- **Tatwir SMS Portal**

**TATWIR INFORMATION Technology**

**Aug 2007 - Jun 2009**

- **Presales.**
- **Help Disk.**
- **Technical Support.**
- **Software Trainer.**
- **Software Tester.**

**ICC4ST (International Consultant Center)**

**Feb 2003- April 2005**

- **Trainer( Software /Hardwar)**
- **Internet Researcher**
- **Assembling / Maintenance Departments**
- **System Troubleshooting.**

**Hi Way Computers & Networks**

**Nov 2000 - Jun 2002**

- **System Troubleshooting**
- **PC (Desktop): Assembling / Maintenance.**
- **Network (lan): Assembling / Maintenance.**
